aftermarket drivetrain products by Dana

# Built with Integrity. Engineered by Dana.

Spicer Select drivetrain products are purpose-built using Dana data, testing, and expertise to ensure optimal fit and performance. Our drivetrain products are designed to engineering standards you and your customers can trust for aging vehicles that still have a job to do.

## Purpose-Built

### PREMIUM, AFTERMARKET REPLACEMENT PARTS

#### Dana SELECTS

- The right manufacturing processes
- The right product
- The right design specs
- The right quality level

#### Customers SELECT

- A name they trust
- A product that is Dana-engineered
- The quality level they need

**Products:** U-joints, differential carrier bearing kits, strap kits, and center bearings

## Drivetrain Products from a Leader in Drivetrain Performance.

When it comes to repairing and maintaining vehicles, Spicer Select aftermarket drivetrain products by Dana go the extra mile to meet the unique needs of the aftermarket.

#### Product offerings include:

- **Spicer Select U-Joints:** Designed to handle the demands of commercial applications.
  - Standard u-joints help provide long life and deliver exceptional performance.
  - Service-free u-joints are permanently lubricated and sealed to provide reduced maintenance time and cost, promote ease of service, and extend u-joint life. Interchange for Meritor® Permalube™ RPL Series driveline parts.
- **Differential Carrier Bearing Kits:** Includes premium bearings, sealant, and adhesive — everything needed for a full, turnkey differential carrier rebuild.
- **Strap Kits:** Designed for a secure fit and durable retention to keep u-joints secure.
- **Center Bearings:** Constructed to maintain a proper driveline angle to maximize driveshaft and component life, reduce contamination, and provide longer part life.
